

Joyce Howarth  
is a researcher.  
This means she  
Finds out things.

She is finding out what it is  
like to be a parent with  
learning disabilities.

Llywodraeth Cynulliad Cymru  
Welsh Assembly Government

The Welsh Assembly  
Government has asked  
Joyce to find these things  
out.

They want to know:

- How many parents with learning disabilities are there in Wales?
- What support do they get?
- Who do they get support from?
- What do parents think is good support?

Joyce will visit  
parents who want to  
talk about their lives.  
She will ask if it is ok  
to talk to others who  
support them.

She will tell the Welsh Assembly Government what she finds out about being a parent with learning disabilities in Wales.
